

Weekly Hacker Homework by Cyber Mind space

Task 1: Watch Mr. Robot – Season 1 Episode 1

Focus on:

The social engineering technique used by Elliot

Submit: A 3-line summary on “What did Elliot do technically that was realistic?”

Task 2: Research about Kevin Mitnick or Adrian Lamo

Find out:

Their hacking style

What made them different

What lesson can we learn from their story

Submit: Write 100 words about what you learned from them (not Wikipedia copy).

Task 3. 🧐 Google Hacking Drill

Task: Use Google dorks to find exposed login pages

Try queries like: `inurl:admin login`

`intitle:"index of" "backup.zip"`

Submit: Screenshot of 1 interesting result + short explanation of what the dork does.

Task 4 : Read 1 chapter from “The Art of Invisibility” by Kevin Mitnick

Focus on:

Any privacy technique he talks about

Submit: One technique you’ll start using in your real life
